GOLF COURSE

The Resort Course is a traditional-style layout that has stood the test of time. The original William Francis Bell design opened in 1962. Since then it has undergone two redesigns to keep pace with the changing game of golf. Most recently, the design team of Schmidt & Curley resculpted every bunker and added a set of tees. The improvements have paid off, as the course is sought out by golfers looking for a memorable round on a course that has hosted both PGA and LPGA events.

FACILITIES

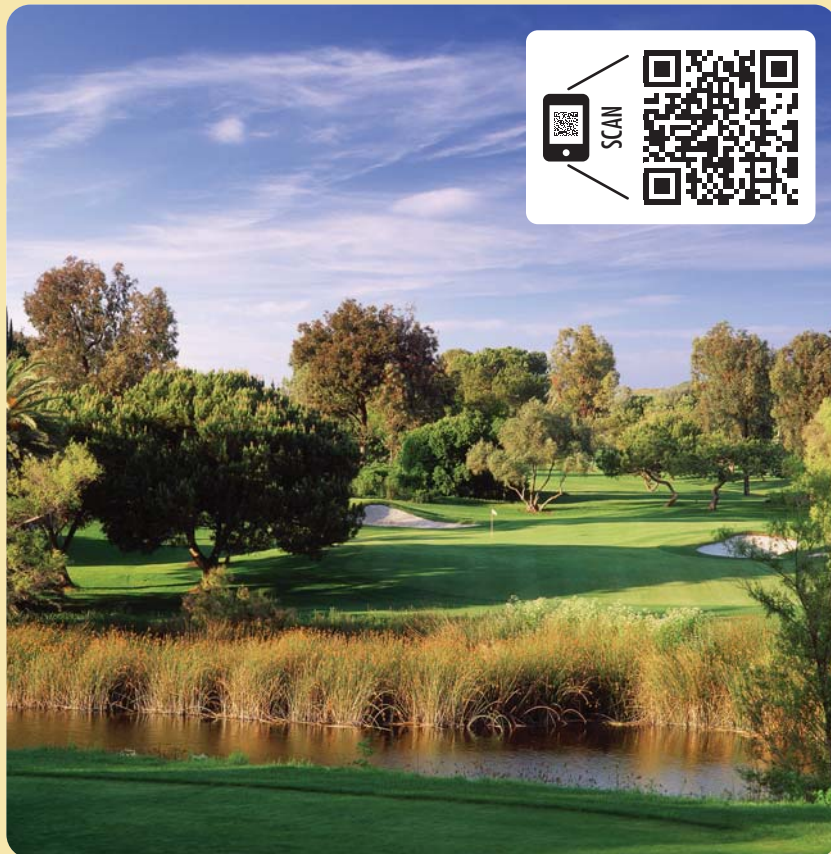

Luxurious guestrooms include private patios or balconies, custom furnishings, and plasma televisions. The Spa, ranked #1 Resort Spa in North America by *Condé Nast Traveler*, features private casitas in an expansive garden. Dining is a distinct pleasure: El Bizcocho is Zagat's highest-rated in San Diego, and Veranda features an expansive patio overlooking the course.
