There is much to discover

Once a mining town for prospectors and fortune-seekers, today Lead is a haven for outdoor enthusiasts and history buffs. You can enjoy majestic views while hiking or biking along the 109 mile-long Mickelson Trail. Or enjoy a day golfing, viewing the abundant wildlife, fishing, or riding the ATV trails. For history buffs, take a step back in time by visiting Homestake, formerly the largest gold mine in the Western Hemisphere; Black Hills Mining Museum; Historic Homestake Opera House; and the Black Hills & Ft. Pierre Railroad Roundhouse. Then stroll through the town's Victorian homes and dine at any of our unique restaurants. There is much to discover in Legendary Lead.
